**FILED**

CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

Dear Class Action Clerk,

I am writing to object to the settlement in *Katz-Lacabe et al v. Oracle America, Inc.* (case number 3:22-cv-04792-RS).

Per the agreement, I am not included as a class member since I have resided outside of the United States during the relevant period. I believe that I am a Settlement Class Member as I have suffered the violations alleged in the lawsuit because of my previous residence in the United States and continued connection with digital profiles established whilst I resided there or whilst conducting my affairs from abroad using my U.S. profile. Specifically, I object for the following reasons:

- 1. The dates of residency in the United States to be eligible for the class should be expanded.** Many of my digital accounts and data were established whilst I was living in the United States prior to the 2018-2024 period prescribed in the Settlement Agreement. My digital dossier continues to be tied to my period of residence in the United States rather than my new residence abroad.
- 2. Residency status should not be the sole test for determining eligibility for the class.** The data that was collected and sold is still relevant personal data regardless of my residential status. The United States is my country of citizenship and domicile of origin. I have maintained a mailing address and strong ties to the United States since moving abroad in 2009. Some of my digital activity has been conducted while visiting the United States, in keeping up my relationships with family residing there or conducting my personal business.

My full name is Jeanette Cecilia Voss and my current residence is at:

81 Hayes Road  
Bromley  
BR2 9AE  
Great Britain

My email address is jeanetteinlondon@gmail.com and phone number is +44 790 418 8743

I do not intend to appear nor be represented at the Final Approval Hearing. I do not have counsel.

Please accept my objections and amend the Settlement Agreement accordingly so that I am included as a Settlement Class Member.

Sincerely,

Jeanette C. Voss
